Crack and Sound Membranes

Presented by Brent Johnsen
MAPEI www.mapei.com

An in-depth introduction to the approved industry standards for Crack Isolation and Sound Control products, how to choose the membrane most appropriate for application and how to avoid common installation mistakes and failures.

Brent Johnsen is a MAPEI Business Development Leader for Canadian Prairies. Brent has 10 years of experience with MAPEI and more than 30 years of experience in the construction industry.

As a Technical Sales Representative for MAPEI, Brent has been specializing in floor covering installation and concrete restoration products, and has been working with General Contractors, Applicators, Distribution Sales Force, Engineering Firms, Cities and Districts, and Architects for the purpose of product recommendation, training and instruction.

Brent's current duties as a Business Development Leader are: to actively promote Tile and Stone Installation Systems, Floor Covering Installation Systems, Concrete Restoration Systems, and DIY installation products at distributor and contractor locations in the Prairies; provide technical application and product sample support to Field Sales and Product Managers; implement strategic sales plans to realize corporate goals; train and develop sales personnel; and develop and lead MAPEI based installation training programs regionally for distributors and contractors..

Registered AIBC Members will receive 1 AIBC CES Core Learning Unit for attending.
