

**Instructor: Construction Contract Administrator  
Course**

**Peter Semchuk, FCSC, RSW, CCCA**

Peter Semchuk, FCSC, RSW, CCCA, CET, LEED® Accredited Professional graduated from the Northern Alberta Institute of Technology in 1978 with a diploma in Architectural Technology. Peter began his career in the construction industry directly after completing his post secondary education working for a number of architectural consulting firms from 1978 to 1984 before commencing his current tenure with IBI Group Architects, Engineers, and Planners in Edmonton.

Peter has been an employee of IBI Group since 1984 and currently functions in the capacity of Project Manager, Specification Writer, and Certified Contract Administrator for projects the firm has been commissioned for throughout Western Canada. Peter became an Associate of the firm in 1998 and is responsible for overall architectural production, staff supervision, and quality control of Contract Document production and Contract Administration services during construction for architectural projects in the Edmonton office.

Peter currently holds active membership with the Canada Green Building Council (CaGBC) and the US Green Building Council (USGBC), as well as membership with Construction Specifications Canada (CSC), where he held the position of national president in 2004/2005. Peter is also an active member of the Alberta Society of Engineering Technologists (ASET) and the Project Management Institute (PMI).

Peter also continues to participate as an Instructor for the Edmonton Chapter of CSC, providing CCA and Specifier 1/2 course instruction to local professionals. He is also a guest instructor for Northern Alberta Institute of Technology (NAIT) for the Architectural Technology Program and is a core course Instructor for the University of Alberta, Faculty of Extension in their Construction Administration Certificate program.
